REVIEW OF OPERATIONS

The Company recorded an operating loss after income tax for the half-year ended 31 December 2012 of \$853,145 compared to an operating loss after income tax of \$1,321,331 for the half-year ended 31 December 2011. The difference is reduction in write-downs on exploration projects during the 2012 period of \$624,836 (2011 - \$1,043,025).

Rubicon is a mineral exploration company, and has been focussed on gold and copper exploration in Western Australia, where it still controls some 2,000km² of prospective tenements, largely held in non-contributing joint ventures. More recently, Rubicon has focussed on the acquisition of more advanced exploration opportunities internationally, and has been progressing opportunities in Turkey, a country with a high endowment in gold and base metals and a significantly less mature exploration history than Australia.

Rubicon's strategy for ultimate growth is to combine the following elements:

- Ongoing commitment to the identification and review of projects/corporate opportunities that we believe have the capacity to successfully develop into a profitable mine, both in Australia and countries overseas.
- Maximise the commercial value of the existing tenement portfolio through the ongoing establishment and maintenance of suitable joint ventures and other alternate funding arrangements where appropriate, and
- Continued exploration of Rubicon properties where appropriate.

Rubicon's major projects are as follows:

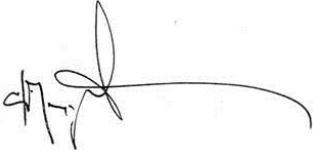

- The Yindarlgooda gold and base metal project located east of Kalgoorlie where Rubicon has tenements in its own right and three separate joint venture agreements, with Integra Mining Ltd (two) and Brimstone Resources Ltd earning an interest in Rubicon tenure.
- The Warburton project in the Western Musgrave Province, where Rubicon has two joint ventures with Kingsgate Consolidated Ltd and Traka Resources Ltd.

AUDITOR'S REVIEW REPORT

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF RUBICON RESOURCES LIMITED

Report on the half year financial report

We have reviewed the accompanying half year financial report of Rubicon Resources Limited ("the company") which comprises the statement of financial position as at 31 December 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half year ended on that date, notes comprising a statement of significant accounting policies and other selected explanatory notes and the directors' declaration.

Directors' responsibility for the half year financial report

The directors are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half year financial report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2012 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Rubicon Resources Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain the assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
